Empowering Program Teams to Use Data for Sustaining

Presenters:

Dr. Autumn Cano-Guin
North Carolina State University
CYFAR Coach

Dr. Phillip L. Ealy
The Pennsylvania State University
CYFAR Coaching Coordinator

Roadmap

CYFAR Program Components

CYFAR programs integrate three essential program components in all community-based projects

Community

Technology

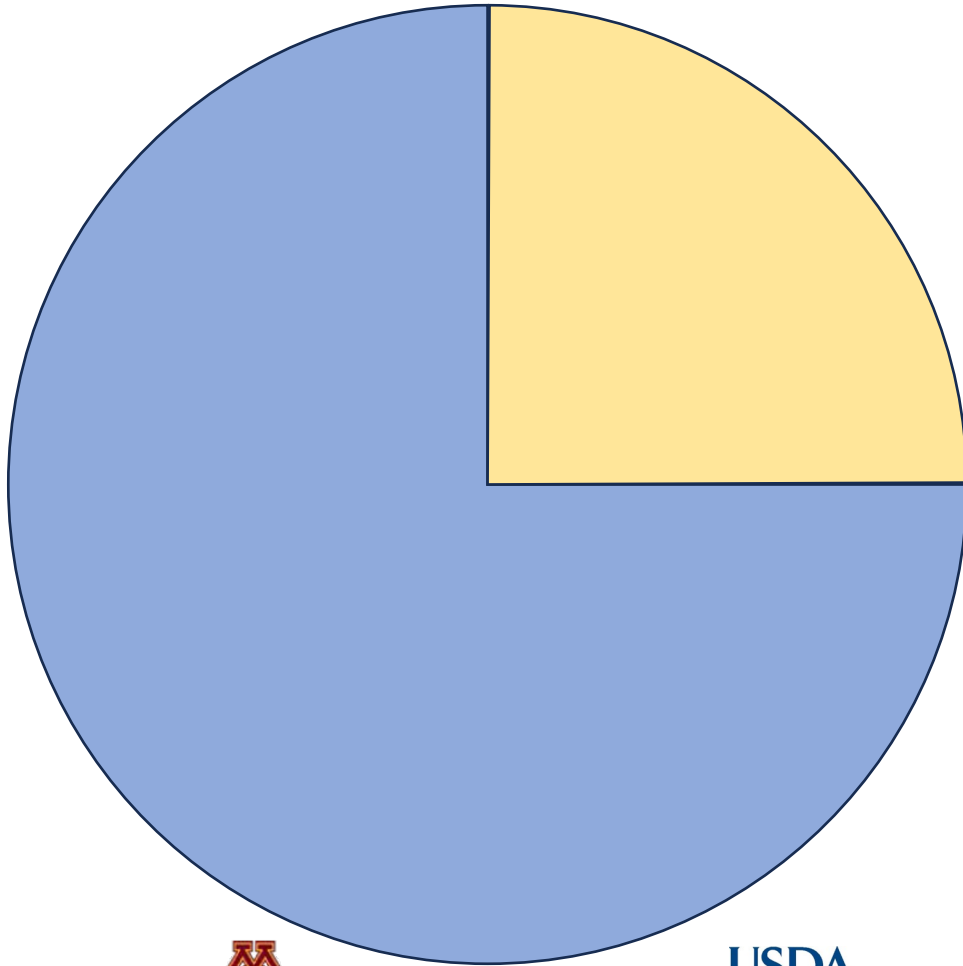

Sustainability

- CYFAR Philosophy, page 4

Sustainability

- After initial funding ends, programs are likely to disband or discontinue program elements
- What do you see as the biggest barriers to sustainability?

CYFAR Success

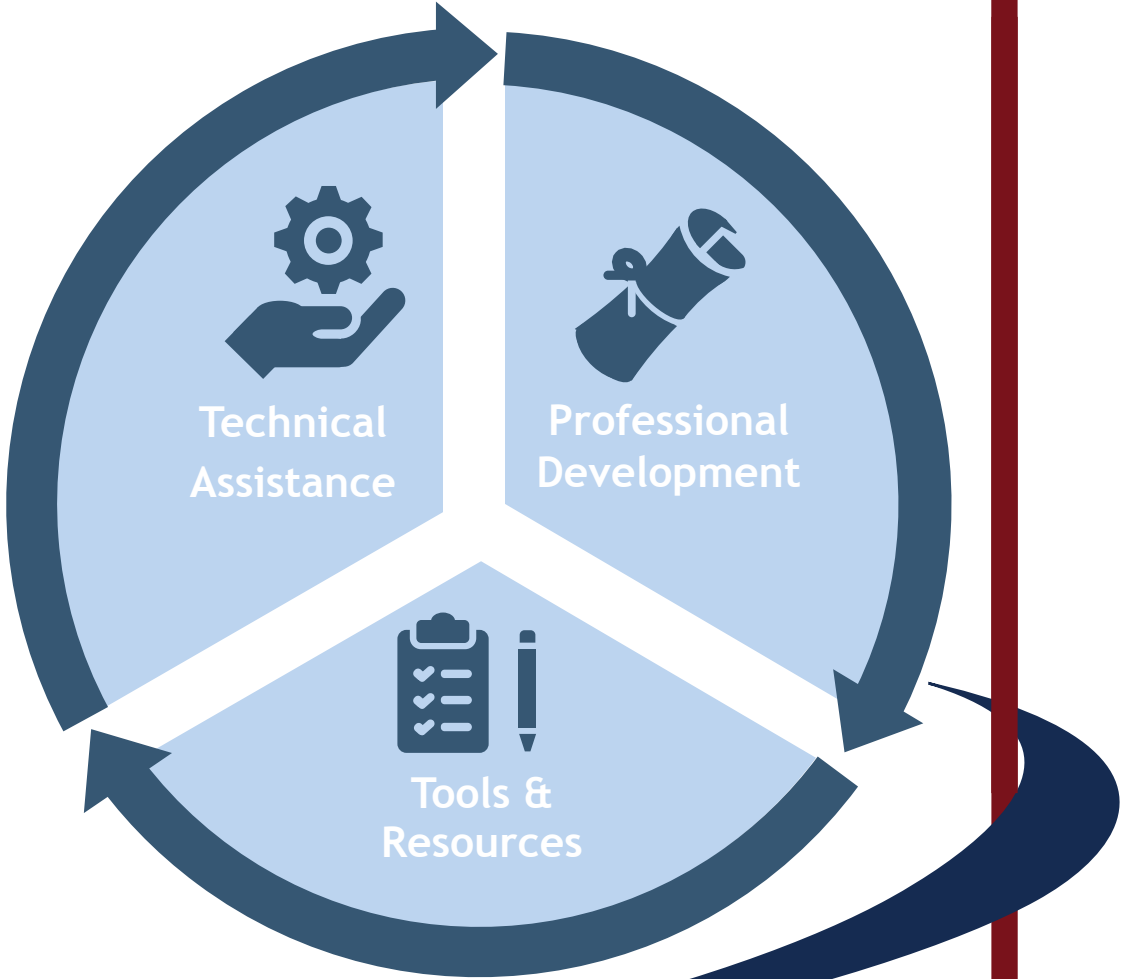

- 75% of community programs initially funded by CYFAR are still active four years after USDA-NIFA funding ends

- The program has strong public support.

Environmental Support (5.51)

- Champions exist who strongly support the program.
- The program has strong champions with the ability to garner resources.
- The program has leadership support from within the larger organization.
- The program has leadership support from outside of the organization.
- The program has strong public support.

Funding Stability (3.97)

- The program exists in a supportive state economic climate.
- The program implements policies to help ensure sustained funding.
- The program is funded through a variety of sources.
- The program has a combination of stable and flexible funding.

Funding Stability (3.97)

- The program exists in a supportive state economic climate.
- The program implements policies to help ensure sustained funding.
- The program is funded through a variety of sources.
- The program has a combination of stable and flexible funding.

Funding Stability (3.97)

- The program exists in a supportive state economic climate.
- The program implements policies to help ensure sustained funding.
- The program is funded through a variety of sources.
- The program has a combination of stable and flexible funding.

Partnerships (5.11)

- Diverse community organizations are invested in the success of the program.
- The program communicates with community leaders.
- Community leaders are involved with the program.
- Community members are passionately committed to the program.
- The community is engaged in the development of program goals.

Partnerships (5.11)

- Diverse community organizations are invested in the success of the program.
- The program communicates with community leaders.
- Community leaders are involved with the program.
- Community members are passionately committed to the program.
- The community is engaged in the development of program goals.

Organizational Capacity (5.46)

- The program is well integrated into the operations of the organization.
- Organizational systems are in place to support the various program needs.
- Leadership effectively articulates the vision of the program to external partners.

- The program has adequate staff to complete the program's goals.

Organizational Capacity (5.46)

- The program is well integrated into the operations of the organization.
- Organizational systems are in place to support the various program needs.
- Leadership effectively articulates the vision of the program to external partners.
- Leadership efficiently manages staff and other resources.
- The program has adequate staff to complete the program's goals.

Program Evaluation (5.23)

- The program has the capacity for quality program evaluation.
- The program reports short term and intermediate outcomes.
- Evaluation results inform program planning and implementation.
- Program evaluation results are used to demonstrate successes to funders and other key stakeholders.
- The program provides strong evidence to the public that the program works.

Program Evaluation (5.23)

- The program has the capacity for quality program evaluation.
- The program reports short term and intermediate outcomes.
- Evaluation results inform program planning and implementation.
- Program evaluation results are used to demonstrate successes to funders and other key stakeholders.
- The program provides strong evidence to the public that the program works.

Program Adaptation (5.55)

- The program periodically reviews the evidence base.
- The program adapts strategies as needed.
- The program adapts to new science.
- The program proactively adapts to changes in the environment.
- The program makes decisions about which components are ineffective and should not continue.

Program Adaptation (5.55)

- The program periodically reviews the evidence base.
- The program adapts strategies as needed.
- The program adapts to new science.
- The program proactively adapts to changes in the environment.
- The program makes decisions about which components are ineffective and should not continue.

Communications (5.22)

- The program has communication strategies to secure and maintain public support.
- Program staff communicate the need for the program to the public.
- The program is marketed in a way that generates interest.
